Hello, Jill!

It's so cool that your favorite dish is pizza. I like it too! In Russian we have many dishes. For example, "bliny", on your language it's pancake's. I like "borsch". It's a red soup with meat. This is very popular dish. I think you'll like it! It's very tasty.

For your question about fast food: I eat it. It's very tasty but not healthy. I eat it. My favorite fast food is pizza like your. What do you want to eat from Russian dishes?

Have a good day,  
your friend Anna.

Tim's arriving

Tim felt angry as he got off the train, because nobody was meeting him. He expected his best friends, John and Alice to meet him at the station. Besides, he had no money with him, so he couldn't take a taxi and that's why he had to walk home. His house was situated 5 miles from the station and he wasn't a strong man so Tim was extremely tired when he got home. Suddenly his telephone rang. Tim picked up the phone and heard his friend's voice. John felt sorry, because he ~~or~~ hadn't arrived to meet Tim. <sup>100</sup> But Tim had no energy to be angry and he just said, that he had had a very good training that evening.

"Where there is a Will there is a way" is a very wise proverb. I think it means that if a person really wants something and have courage to make efforts in order to reach his goal, he will ~~reach~~ certainly <sup>do</sup> reach it.

I believe, that this phrase is absolutely correct. First of all, if a person have courage, he will do his best to get what he wants. Secondly <sup>even</sup> if it seems that there is nothing you can do, there is always a way to find the solution of how to get out of this. And finally, you must believe in yourself and do everything you can. As an example, I can tell about my sister. After the eleventh grade she wanted to <sup>enter</sup> go to one of the best universities in Russia - ~~#62~~ <sup>Moscow University</sup>. In order to do that she needed to pass her exams perfectly. She studied very-~~very~~ very hard, and passed her exams and she was <sup>the</sup> best of the best!

In conclusion I would like to say that you must always be courageous, do your best, never give

I'm going to comment a proverb "Where there is a will there is a way". So, if a person has a will, it's a very good motivation. Maybe this person even has an aim which is ~~con~~ connected with his or her will.

In my opinion, this proverb means that a person who ~~is~~ has already <sup>understood</sup> ~~seen~~ his or her aim, always will find some ways to raise this will, as all people's wills are ~~connected with those~~ what are needed to be true and all people usually make steps to do it. As for me, I'm absolutely agree with this proverb, as for me it's necessary to make my wills real. The first reason of my agreement is that ~~the~~ <sup>every</sup> ~~person's~~ ~~wills~~ person want to raise his or her aim. But a earlier all their aims were wills. This person ~~makes small~~ always looks for some ways which can help to do it. For example, when I prepared for my exams, I thought that I can't pass my math exam but then I started to ~~look~~ <sup>looking</sup> for ways and found one. I started watching lessons on maths in the Internet and then I passed my math exam. The second reason is motivation. When my friend wanted to get a new phone, he started

working because when he got some thoughts that  
he want a new phone, ~~the~~ motivation came to him and  
he found a way. In conclusion I'd like to say that  
every person should find any ways which can help  
and ~~do not stop~~ going after his a don't always go  
on.

### Writing

Well, I want to discuss a proverb "Where there is a Will there is a way".

Firstly, I would like to say that this proverb, in my opinion, means that abilities go from your will. To be honest, I don't agree with that, though it sounds really wise. I mean, your wishes will never have any effect on real life and they won't give you money, ways, relationships & for your purposes. Moreover, people's wills often get fantastic forms or something like that. It's not matter you are courage or strive, as my teacher tells: "In critical situations you won't <sup>go up</sup> for your level of your expectations, you will fall for level of your preparation". Nowadays, a lot of films, series and other things show that "soul power" can do ~~an~~ everything, but in real life it's obviously not truth. I know a lot of people who thought that it's not important to prepare for some kinds of contests and failed them.

In conclusion, I can say that it's good to have a hope for something, but you should count only on your abilities. 182

I am going to comment on Proverb. "Where there is a will there is a way". I think that it means that if you really want something or you have a dream you can do anything for it.

In my opinion it is a true. Firstly, when people don't really want to do something and just talk about it they can find a lot of reason for doing nothing. Secondly, a person can find a lot of ways to reach the goal. Thirdly, if a person wants something nobody and nothing can't limit him or her.

For example, I can <sup>100</sup> say about my sister. She has a goal to go to the University in Moscow, but she think that her exam's result will be bad. So, she decided to ~~be~~ study hard. She has found a lot of materials for preparation and study with teachers every day. She don't do nothing special, just learn and learn new things every day. All in all, she has reached her goal and now she lives in Moscow.

I believe, that if you want something you ~~you~~ can
